Additionally we also promised a girl that the organization will be their in her back for every need.

## Exposure visit to IDFC Bank

A group of young adults from Sanrakshan Rainbow Home participated in an insightful exposure visit to IDFC Bank with the support of the We-Live Foundation, aimed at enhancing their career readiness and skill development. The visit provided a comprehensive overview of the banking sector and the participants observed various banking processes, gaining practical knowledge and a deeper understanding of the work. This visit was instrumental in broadening their potential careers in banking, effectively bridging the gap between academic learning and real-world professional environments.

## Children's Exposure visit to HAL Heritage Centre and Aerospace Museum

Children on Sanrakshan Rainbow Home enjoyed an exciting exposure visit to the HAL Heritage Centre and Aerospace Museum with the support of the Bhumi Organization. The visit aimed to ignite their interest in aviation and aerospace technology. They explored exhibits showcasing the history and evolution of aviation, interacted with flight simulators, and viewed a range of aircraft models and engines. The children were fascinated by the stories of aviation pioneers and the technological advancements in the field. This educational trip provided a unique opportunity for the children to learn about aerospace engineering, sparking curiosity and inspiring dreams of future careers in aviation.

## International Yoga Day

With the support of our honorable MLA of Rajajinagar, all the children and the team of Sanrakshan gathered to celebrate the profound wisdom of yoga on the 21st of June. From sun salutations to peaceful meditations, every breath united us in the spirit of mindfulness and well-being. Together, we stretched our bodies and minds, finding balance and inner peace. Let us carry this serenity forward, spreading positivity and health to every corner of our lives.

# Corporate visit to Micron Young Professionals Employee Resource Group

Children of Sanrakshan Rainbow Home had the privilege of visiting Micron's Young Professionals Employee Resource Group (ERG) with the support of Rainbow Foundation India. This visit, organized to foster professional growth and networking opportunities, offered insights into Micron's commitment to nurturing young talent within its workforce. The employee had organized fun-filled activities to the children along with that they also arranged the yummiest meal.

## Session on Cyber Security

We organized cybersecurity session for the children of Sanrakshan Rainbow Home. The session focused on equipping attendees with essential knowledge and skills in cybersecurity, covering topics such as threat detection, data protection, and best practices for secure computing. Participants actively participated in discussions and practical exercises, gaining insights into emerging cyber threats and strategies for mitigating risks. The certificate distribution recognized their commitment to enhancing cybersecurity awareness and readiness, empowering them to contribute to a safer digital environment both professionally and personally.

## Corporate company visit to Advanced Micro Devices(AMD)

Recently, our corporate team visited Advanced Micro Devices (AMD) to collect "Raise against Hunger" meal boxes, an initiative aimed at combating food insecurity in our community. During the visit, we were warmly welcomed by AMD's team, who generously contributed to this meaningful cause. The event highlighted AMD's commitment to corporate social responsibility and community support. It was a fulfilling experience witnessing firsthand the collective effort to make a positive impact by providing essential meals to those in need.
