TEACHERS DAY CELEBRATION

Children at the Sanrakshan Rainbow Home celebrated **Teachers' Day** with heartfelt gestures and joyful activities aimed at honoring their educators. They crafted delightful handmade gifts to express their love and appreciation for the teaching staff, creating a warm atmosphere filled with gratitude. The occasion featured engaging activities that fostered a spirit of celebration, along with emotional moments where the children shared their thoughts on the vital role teachers play in their lives. This celebration exemplifies Sanrakshan Rainbow Home's commitment to nurturing both the academic and emotional well-being of its residents, fostering a supportive environment for their development.

GANESHA CHATHURTHI CELEBRATION

The celebration of **Ganesh Chaturthi** at Sanrakshan Rainbow Home was a vibrant and joyous occasion, filled with enthusiasm and creativity. The children participated actively in decorating the space with colorful rangoli and eco-friendly decorations, creating a welcoming atmosphere for Lord Ganesha. They prepared traditional sweets, to offer as prasad, showcasing their culinary skills and cultural heritage. This celebration not only honored the beloved deity but also instilled values of teamwork and respect for traditions among the children, making it a memorable event for all involved.

CCPC MEETING IN LEARNING CENTRE, RAYASANDRA

We had a **community Child Protection Committee (CCPC)** meeting in learning Centre, Rayasandra. Everyone focused on strengthening community involvement in child protection efforts. All the members discussed key strategies for identifying at-risk children and enhancing family support systems. The concerns which were raised by Children have been discussed and planned to resolve.

POWER OF POSHAN

On September 12, the team from Sanrakshan Rainbow Home attended the **Power of Poshan** event at Muddhenahalli, organized by the Sri Madhusudan Sai Global Humanitarian Mission. This event celebrated the remarkable achievement of serving morning nutrition to over 10 million children across India, highlighting the importance of nutrition in combating malnutrition. The Sanrakshan team engaged with various stakeholders, including farmers and corporate partners, to promote community involvement in nutritional initiatives. The event featured notable guests, including international cricketer Jonty Rhodes, and emphasized collaborative efforts to ensure every child receives the nourishment needed for healthy growth and development.

EXPOSURE VISIT TO YELLO CO-LIVING

Children from the Sanrakshan Rainbow Home visited **Yello Co-living** in ITPL, Whitefield, where they participated in engaging painting and cultural activities alongside the team members. The day began with the children being welcomed warmly by the Yello Coliving team, who organized various activities designed to encourage teamwork and creativity. In addition to painting, the cultural activities included interactive games and storytelling sessions, which helped the children learn about different cultures while having fun.

MUSIC SESSION

We had a **Music Session** conducted by the Bhumija organization for the children of Sanrakshan Rainbow Home highlighted the importance of creative expression in the development of vulnerable Children. This initiative aimed to provide a therapeutic outlet for the children, fostering their emotional well-being and social skills through music. The session featured interactive activities where children engaged in singing, dancing, and playing musical instruments.

PERSONAL HYGIENE SESSION

A recent **Personal Hygiene** Session organized by Rainbow Foundation India for the young adults at Sanrakshan Rainbow Home highlighted the significance of maintaining good personal hygiene. Led by Ms. Kanchana, the session focused on essential practices such as frequent handwashing, proper nail trimming, and regular bathing. Participants were educated on why good personal hygiene is crucial for protecting against illnesses and preventing the spread of diseases. Additionally, the session encouraged participants to develop consistent habits related to cleanliness, ensuring a healthier lifestyle.

This initiative underscores Rainbow Foundation India's ongoing effort to provide comprehensive care, including health and hygiene education, to vulnerable youth. The session not only enhanced knowledge but also promoted behavioral changes beneficial for long-term well-being among the young adults at Sanrakshan Rainbow Home.

IQ TESTING

At Sanrakshan Rainbow Home, with the support of **Pact India Organization** we recently conducted an examination of **IQ testing** for the children under our care. This initiative is aimed at assessing the cognitive abilities and learning potentials of the children, enabling us to tailor educational programs that best suit their individual needs. By understanding their strengths and areas for improvement, we can provide more effective support and resources, ensuring that each child receives the guidance necessary to thrive academically and socially. This testing is part of our broader commitment to fostering a nurturing environment that promotes holistic development and empowers every child to reach their full potential.

CSR MANAGER VISIT FROM HEXAWARE

Mr. Logabiraman S, the Corporate Social Responsibility (CSR) Manager at Hexaware Technologies, made an impactful visit to the Sanrakshan Rainbow Home today. He was accompanied by Ms. Srilatha Madam, a Senior Program Manager from RFI. During this significant visit, Mr. Logabiraman emphasized the critical importance of education and skill development as essential tools for empowering children who come from underprivileged backgrounds. He elaborated on Hexaware's various initiatives designed to enhance educational access, which include scholarships and digital literacy programs aimed at bridging the educational divide. Through these initiatives, Hexaware strives to create a positive impact on society by enabling children to gain the skills they need for a brighter future

CPC MEETING AT SANRAKSHAN RAINBOW HOME

We are pleased to report that we successfully conducted a **Child Protection Committee (CPC)** meeting at the Sanrakshan Rainbow Home. This important gathering was dedicated to enhancing our initiatives aimed at ensuring the well-being of the children entrusted to our care. Together, we are committed to creating a nurturing environment that supports the growth and development of every child, fostering their potential and promoting their rights within a safe and caring community.

FILM SHOW TO CHILDREN

We are thrilled to share the wonderful news that we have organized an exciting outing for all the Sanrakshan Rainbow children, taking them to experience a **Kannada movie at the vibrant Orion Mall!** This thrilling event took place on Sunday, providing a fantastic opportunity for the children to immerse themselves in a lively cinematic atmosphere. It is a remarkable chance for them to enjoy not only the film but also the colorful and dynamic environment that the mall has to offer, enhancing their overall experience and creating lasting memories.

ONE BOOK ONE STORY

Pratham Books Organization conducted a '**One Book One Story**' session at the Sanrakshan Rainbow Home. The program aims to foster a love for reading among children, engaging them through storytelling sessions led by volunteers known as Reading Champions. During the session, children were introduced to selected storybooks that cater to different age groups, enhancing their literacy skills and imagination. This initiative not only promotes reading but also strengthens community ties by encouraging participation from local organizations and volunteers.

DENTAL TREATMENT FOR CHILDREN OF KOLEBASAVA COMMUNITY

With the support of Doctors for Seva organisation, Children from the Rayadandra Community Care Learning Centre are receiving essential **Dental services, including fillings and tooth removals**, at The Oxford Medical College. This initiative underscores the organisation's commitment to community health and education, providing vital care to children who may not otherwise have access to such services. This collaboration aiming to improve oral health in underserved communities. By offering these free services, we foster a healthier future for children and enhances the educational experience for aspiring dental professionals, making a significant impact on both the community and the students involved.

MEETING WITH GUBBACHI ORGANIZATION

In a recent discussion with Gubbachi NGO, we explored the vital concept of Child Care Institutions (CCIs) and their role in supporting marginalized children. CCIs, like Sanrakshan Rainbow Home, provide essential services such as shelter, education, and healthcare for vulnerable youth, particularly those from migrant families. Gubbachi's focus on educational inclusion complements this by addressing barriers to schooling faced by these children. Both organizations recognize that effective child care extends beyond immediate needs; it involves fostering a supportive community environment that empowers families and enhances children's overall well-being.
